Mike--

I received the review response for Daniels. Thank you.

I sent an e mail to Bryson this morning asking about the update to show Staker, rather than a bank, as the owner for part of the land at Beef Hollow. Leslie had one additional comment that I haven't communicated to you:

Page 23	109.1 – Projected impacts to surface & groundwater systems – Please submit the Appendix H as noted on page 23 and page 3 of the Table of Contents.
